## PROCEDURE

### 1.0 Definitions

Immediate Family	A person who is the father, mother (or alternatively step-father, step-mother, or foster parent), brother, sister, spouse (including common-law) resident with the student, child, (including child of the common-law spouse), step child, or ward of the student, father-in-law, mother-in-law, brother-in-law, sister-in-law, or other relatives permanently residing in the student's household or with whom the student currently resides.
Work-Integrated Learning	A form of curricular experiential education that formally integrates a student's academic studies with quality experiences within a workplace or practice setting. Work-integrated learning experiences include an engaged partnership of at least: an academic institution, a host organization, and a student.
Work-Integrated Learning Practitioner	A College of the North Atlantic representative assigned to assist a student's participation in work-integrated learning (e.g., Co-op Coordinator, Student Development Officer, faculty).
Workplace	A practice setting or workplace where students can gain meaningful experiences that are integrated with their academic studies.

## 2.0 Responsibilities

### 2.1 Students

Students are responsible for:

- 2.1.1 Engaging in the work-integrated learning (WIL) process to enhance academic, professional, and personal skills.
- 2.1.2 Conducting their own job search, where applicable, with assistance from their WIL Practitioner.
- 2.1.3 Participating in WIL preparation seminars and submitting WIL experience documentation (e.g., agreement, pre-placement requirements).
- 2.1.4 Adhering to the professional and safety standards of the employer and the workplace.
- 2.1.5 Notifying the WIL Practitioner in a timely manner when issues or concerns arise related to the WIL experience or workplace.
- 2.1.6 Completing and submitting all WIL experience evaluations, reports, and/or assignments for assessment and grading by predetermined deadlines.

### 2.2 Employers

Employers are responsible for:

- 2.2.1 Providing authentic and program relevant opportunities for students within the workplace.
- 2.2.2 Completing a WIL agreement prior to the start of the WIL experience.
- 2.2.3 Ensuring students have a safe and equitable workplace that is free from harassment.
- 2.2.4 Providing ongoing supervision and feedback to students.
- 2.2.5 Supporting students in completing their WIL experience evaluations, reports, and/or assignments.

- 2.2.6 Notifying the WIL Practitioner in a timely manner when issues or concerns arise related to the WIL experience and/or student performance.
- 2.2.7 Evaluating, when required, student performance and ensuring it is fairly based on students' skill and experience level in accordance with WIL requirements.

### 2.3 Work-Integrated Learning Practitioner

The WIL Practitioner is responsible for:

- 2.3.1 Working with students and employers on a signed WIL agreement.
- 2.3.2 Providing support to students and employers during the WIL experience.
- 2.3.3 Responding to questions and/or concerns from students or employers during the WIL experience and consulting with appropriate CNA departments, as needed.
- 2.3.4 Monitoring ongoing WIL experiences and when required, completing site visits.
- 2.3.5 Providing employer and student feedback to respective academic schools on the content and direction of academic programs and employer needs.

### 2.4 College of the North Atlantic

College of the North Atlantic (CNA) is responsible for:

- 2.4.1 Providing high standards of technical learning in an inclusive, accessible, safe, and welcoming environment.
- 2.4.2 Facilitating employability skills development through WIL objectives.
- 2.4.3 CNA will collaborate with employers in ensuring a safe and equitable workplace that is free from harassment.
- 2.4.4 Developing industry partnerships for WIL opportunities.

### **3.0 Work-Integrated Learning Agreement**

The WIL Practitioner will work with the student and employer on a WIL agreement that contains, but is not limited to, the following information:

- Contact information for all participants (student(s) and employer);
- Scope of WIL experience;
- Location and work arrangements;
- Date of WIL experience;
- Compensation details, if applicable;
- Expectations of student and employer; and
- Signatures of student, employer, and WIL Practitioner.

### **4.0 International Students**

- 4.1 All international students who are enrolled in a program with a WIL component will require a co-op work permit as per Immigration, Refugees, and Citizenship Canada (IRCC). Notification of needing a co-op work permit will be indicated on their letter of acceptance.
- 4.2 International students who fail to produce a valid co-op work permit will not be permitted to begin their WIL experience as per IRCC.
- 4.3 It is the responsibility of the international student to ensure they have the correct documentation in place prior to beginning their WIL experience.

### **5.0 Insurance**

- 5.1 Employers may request confirmation of CNA's workers compensation coverage for unpaid WIL experiences. This can be provided in the form of a letter from Facilities Management by emailing the Facilities Division.
- 5.2 For employers seeking negligence or general liability coverage for a student, CNA can provide proof of insurance coverage under both its general liability and blanket liability insurance to a maximum of \$10,000,000. To issue a certificate of insurance, CNA's insurer requires the following information:
  - 5.2.1 Complete name and address of the organization that requires the certificate; and
  - 5.2.2 Name and email of the person at the organization to whom the certificate is to be sent.

## 6.0 Accommodations

- 6.1 Students should make inquiries/requests for accommodations related to the WIL experience to Accessibility Services or Disability Management Services as early as possible.
- 6.2 Reasonable accommodations for the workplace will be developed collaboratively with the student, the employer, Accessibility Services, and WIL Practitioner, where appropriate.
- 6.3 If employed by CNA for their WIL experience, students must contact CNA's Disability Management Services via email (dmteam@cna.nl.ca) for reasonable accommodations requests or to update any existing accommodations in place.
  - 6.3.1 Medical documentation may be required by Disability Management Services to support reasonable accommodations.

## 7.0 Removal/Withdrawal from Work-Integrated Learning

- 7.1 The WIL experience may be terminated by CNA, the employer, or the student where there are issues of safety, work performance, non-compliance, etc., with reference to CNA's and/or the employer's policies and procedures and practices outlined within a given program.
- 7.2 Any student and/or employer complaints that arise during the WIL experience are to be directed immediately to the WIL Practitioner who will be responsible for notifying Campus Administration.
- 7.3 If a student is removed or required to withdraw from their WIL experience, the WIL Practitioner, in consultation with Campus Administration, will work with the student, employer, and academic school to determine a suitable outcome.
- 7.4 Students should not remove themselves from their WIL experience without consulting with their WIL Practitioner. Employers will not terminate students without first consulting with the WIL Practitioner.
