

Welder/Fabricator Program Safety Equipment & Tools Required for First year Students

List of Supplies	Approximate Cost
Welding Hard Hat	\$ 40
Welding Helmet (must attach to the Hard Hat) <i>(Students are not required to have this particular hard hat and helmet; however, they must ensure that their helmet is designed to fit their hard hat)</i>	\$ 60
Steel Toe Boots (CSA approved)	\$ 100 – 150
Coveralls or Bibbed-overalls	\$ 50+
Clear Safety Glasses	\$ 10
#4 or #5 shade cutting glasses or goggles (lift front) <i>(If you wear glasses, then goggles would be better suited)</i>	\$ 15
Welding Gloves	\$ 12
5" Mini Grinder <i>(CNA will provide grinding discs for 5" grinders only)</i>	\$ 120
Welding Jacket	\$ 100
Measuring Tape <i>(tape must have both standard and metric measurements; inexpensive tapes are quite sufficient)</i>	\$ 5
Compass Set	\$20
Half Mask with Hepa Filter (Available at the Campus)	\$35

Most of the above equipment can be purchased anywhere welding supplies are sold.

NOTE: Make sure the Welding helmet fits the Hard Hat and also that the Welding Jacket is the right size.

If you have any questions please contact your first year instructor, Mr. David Hardy at david.hardy@cna.nl.ca.
