

Flight 491 Memorial Fund

On March 14, 2010, oil and gas industry partners came together to honour those who perished in the tragic Cougar Flight 491 disaster. At that time, they committed to working together with their industry partners to raise enough funds to establish a named endowment to benefit students at each of Memorial University, the Marine Institute, and College of the North Atlantic. The intent with such an endowment is to spend only the interest each year, allowing the fund to remain in perpetuity.
