

ACCELERATED SOFTWARE DEVELOPMENT (POST-DIPLOMA)

Prince Philip Drive Campus

Please Apply by April 2, 2021!

Newfoundland and Labrador's technology sector is a \$1.6 billion-dollar industry that employs thousands of people, and you could be ONE of them! There is currently a significant talent shortage in this province and Software Development professionals are in high demand. We can have you career-ready for this exciting industry.

Introducing CNA's first offering of an Accelerated Software Development (Post-Diploma) program at our Prince Philip Drive campus for May 2021. This one year program is open to anyone who holds a diploma or undergraduate degree. No prior programming experience necessary.

Software Development is an asset for employment in a variety of industries. Enrolment in the Accelerated Software Development (Post-Diploma) program will give you the tools necessary to write code with the most popular languages used in industry today.

Training Dates: May 10, 2021 – April 28, 2022
Monday – Friday, 8:30 a.m. – 4:30 p.m.
