Registered international students of CNA are covered under an accident insurance plan. This DOES NOT provide routine medical coverage for students. For information, you should contact Chandra Jordan at (709) 758-7290 or chandra.jordan@cna.nl.ca. If you wish to opt out from the plan, you must provide proof of purchase of a similar health insurance plan.

NL Health Plan

The Medical Care Plan (MCP) program applies to any international learner issued an official study permit by Citizenship and Immigration Canada before entering the country. You must be attending a recognized post-secondary educational institution in Newfoundland and Labrador (including College of the North Atlantic) for a period of at least 12 months. Dependents will also be covered under MCP, provided they are living in the province and have relevant documentation to support their application. In order to receive coverage, you must apply for and receive an MCP card (<http://www.health.gov.nl.ca/health/mcp/international.html>). Eligible learners must present a registration letter from the college and an MCP application form to be considered for the program. Coverage will become effective for eligible learners and dependents on the date of registration. Coverage is renewable on a yearly basis, with a current enrollment letter, and will terminate upon completion of the study program or the end date of study permit, whichever is earlier. You must be attending school and residing in the province in order to avail of coverage. Work terms outside the province are not covered.

Once a student has an MCP, they are eligible to purchase additional coverage with the college provider Green Shield site (<https://www.greenshield.ca/en-ca/student-centre/north-atlantic-students-cna>)

STUDENT CODE OF CONDUCT AND APPEALS

College of the North Atlantic students are expected to follow a [code of conduct](#) and, within this policy, also have certain rights and responsibilities. All registered students of the college may appeal a decision or ruling which affects them as it pertains to academic matters as well as matters of student discipline, student rights, and student responsibilities through an [academic appeal](#) or [non-academic appeal](#).

STUDENT DEVELOPMENT SERVICES

Student Development Officers (SDOs) provide a variety of student engagement and support services at College of the North Atlantic campuses. As a student at CNA, SDOs are your first-stop for many services including preparing to become a student at CNA; financial aid information; the orientation process including sessions and activities; scholarships and awards; graduation; and becoming familiar with and following the Student Code of Conduct as well as Student Rights and Responsibilities. The SDOs also advise and support the Student Representatives Council (SRC) at each campus, which is an important part of student life. During your time as a student, the SDOs are involved in student and graduate employment programs which may include delivering job search seminars, coordinating job training placements, connecting students to industry through the organization and delivery of career fairs, and supervising student employees. As well, SDOs coordinate and participate in local and provincial recruitment strategies including signature events as well as campus tours, recruitment information sessions, and career fairs. SDOs are a liaison between students, support staff, faculty, campus college administration, senior college management and also work together to connect and support students, alumni, employers, and friends of the College. Appointments can be arranged with the Student Development Officer, Scott Penney at the Gander campus, virtually through Skype/Microsoft Teams or through telephone/email.

STUDENT GOVERNANCE

Student Representatives Council (SRC) at members will be needed again this year and are an integral part of student life on campus. Each campus elects members at the beginning of each academic year. The SRC is governed by a constitution and has a responsibility for planning and organizing various extra-curricular activities on behalf of the student body.

The SRC also has an advisor on behalf of Student Services which, at Gander Campus, is the Student Development Officer. Full-time and part-time students are eligible to run. However, part-time students cannot hold the President's position. Positions include President, Vice-President, Secretary, and Treasurer. Also, each program may elect, or otherwise have appointed, at least one student to serve as a Class Representative. The Council of Student Executives (CSE) is also a student governance committee which has a student representative from each of the CNASU's at the campuses. These representatives are elected by their fellow SRC members. This committee is responsible for ensuring that students will sit on all major college committees including the College Board of Governors. If you are interested in running for a position on the SRC, please see the Student Development Officer. Information regarding

the nomination and election process will be distributed during orientation.

STUDENT LOAN

International students may not qualify for Student Loans. However, if you think you may qualify, you may consult the Student Development Officer, Scott Penney at the Gander campus, virtually through Skype/Microsoft Teams or through telephone/email.

RESOURCES

ACCESS TO INFORMATION & PROTECTION OR PRIVACY (ATIPP) ACT

When we collect personal information on applications, forms, etc., it will be for the purpose of facilitating admissions, registration, academic progression, graduation, etc. More information is available on our [website](#). A [Consent for Release of Personal Information](#) form must be signed/submitted and indicate what information and to whom it can be disclosed. This form does not enable a third party to advocate or speak on behalf of a student.

ACCOMMODATIONS

Landlord and Tenant Relations

If you have any questions on the Residential Tenancies Act, Security Deposits, Rental Agreements, Termination Notices, legislation, statutory conditions, etc., please contact the Residential Tenancies Office at:

Government Services Center
5 Mews Place
P.O. Box 8700
St. John's, NL A1B 4M4
Telephone: (709) 729-2608/5839
Toll Free: (877) 829-2608
Fax: (709) 729-6998
Website: www.gs.gov.nl.ca/landlord/index.html

It is recommended that you obtain a copy of the Residential Tenancies Act for your complete information on your rights and obligations.

Housing with Other Students

Although the law has specific provisions to govern your relationships with your landlord, it leaves the terms of your relationship with your co-tenant (roommate) up to you. If you do not think of potential areas of disagreement now, you may well end up fighting with those with whom you share living quarters. Not only will this be disruptive to your personal and academic life (especially at exam time), but it can involve you in expensive and uncertain situations – such as paying rent and utilities that should be your co-tenants' responsibility. It is easy, however, to avoid such problems. Simply talk to your co-tenant(s) and put the terms of your arrangement in

writing. You may be responsible for the actions of others. The key issues you should resolve are how you will split the cost of rent, utilities, groceries, and other expenses as well as responsibility for a co-tenant who “disappears” mid-term.

Accommodations Listing

An Accommodations List is available on our [campus website](#). This list is updated throughout the year and contains information on many available accommodations in the area surrounding the Gander campus.

CAFETERIA SERVICES

We are currently looking for new food service provider for the Gander campus cafeteria. Students are welcome to use the cafeteria space and also the microwaves provided by the Student Representatives Council.

DL HELP DESK

As some of our courses will be housed virtually through Distributed Learning, a dedicated [Help Desk](#) support team is available to serve your technical support needs. Team members possess a wide range of technical skills and look forward to answering your questions, finding solutions to your problems and ensuring that your online experience is an enjoyable one. We aim to provide prompt courteous service within 24 hours. **NOTE:** When corresponding with the Help Desk, include your course name/number and Student ID number and details on the problem you are experiencing, including any error messages you may have received.

COURSE WITHDRAW/REFUNDS

If you wish to withdraw from a course, you should first speak with David Alcock, Guidance Counsellor, at Gander campus to see how dropping a course might impact your program. If you are funded by a student loan or a sponsored student, you should contact Scott Penney, Student Development Officer at Gander Campus, to see how dropping a course(s) will affect your loan. Students would have to complete a [Change in Course Registration](#) form to be submitted to Colleen Harris, Admissions Officer. If you are within the applicable time frame for a refund, allow 2-3 weeks for refund to be issued from CNA Headquarters.

Students who have completed online registration and have chosen an incorrect course for Fall Semester can contact Colleen Harris, Admissions Officer, for a “Change in Course Registration Form” – it is recommended that you speak with an academic advisor or our guidance counsellor for advisement prior to dropping or adding any courses. Once you have been enrolled in courses for the Fall Semester, please login into your account to check for accuracy; this is usually completed the first week of classes.

Previous editions of text may be acceptable however students are advised to confirm with their instructor prior to purchasing a previous edition.

A list of all courses being offered in the fall, with the corresponding e-textbook option, is available to students on [MycNA](#). This list was compiled with information from each campus and students are encouraged to confirm the specific textbook needed with their instructor as there may be differences from campus to campus offerings. The list contains a suggested source from which students can directly purchase the e-book and e-books will not be available for purchase from campus bookstores. Prices will not be provided on the CNA site since in some cases students may have several options to purchase and the price will vary.

Some textbooks do not have an e-textbook alternative. These textbooks will be listed as such and students will need to contact their campus for directions on how to obtain their textbook. Also, some courses may require other resources (software, lab manuals, equipment or supplies) and this information will be obtained directly from the Campus. Industrial Trades students need to connect with their campus for specific program resources. If a student is uncertain, they should contact their instructor to making a purchase since e-textbooks are non-refundable.
