2022 Intersession/Spring Academic Plan

March 31, 2022

**Without a
mask**

**YOU

The 2022 Intersession/Spring Academic Plan has been developed to support student learning for the 2022 Intersession/Spring semesters. The health and well-being of our students is at the forefront of all decisions made at CNA. That is why we have implemented a mandatory requirement that all students must wear a mask upon entering all CNA campuses and facilities. We also require students to adhere to Public Health measures regarding physical distancing, personal hygiene best practices and self-screening/identifying COVID related symptoms.

Please note:

- The 2022 Intersession/Spring Academic Plan is for the 2022 Intersession/Spring semesters and is for all students.
- College of the North Atlantic reserves the right to alter any or all components of this plan including, but not limited to: program start dates, delivery methods and program structures in response to quality program delivery in the current pandemic environment.
- The college also reserves the right to issue revised versions of this plan as may be required in this pandemic environment.
- Where programs contain practical components, these may be delivered or deferred subject to Public Health measures, and employer/external placement policies and availability as may be required.
- Students who have questions or concerns related to program start dates, schedules and delivery methods are asked to contact their instructor/campus.

Please note: Programs that have an updated delivery method are highlighted in blue in the "Planned Delivery Method for Intersession/Spring 2022" column.
